## WEEKLY WORDS FROM THE ROCK:

### So Father, How Much?

The gospel of this weekend is the story of the poor widow's contribution. We see Jesus doing so much in the pages of the Bible. He heals the ill. Forgives the sinner. Teaches the multitudes. Today finds Jesus sitting opposite the treasury and observing the crowd putting money in the treasury (Mark 12:41). It is something we wouldn't expect of Jesus, yet the image is clear. The question I caught myself asking for the sake of this column is, "How did Jesus know that everyone expect this one poor woman gave from their surplus wealth? Did he live in this region so he knew these people personally or was this a case of Jesus being able to look into the heart?" I don't have an exact answer. We read this passage wrong if we think Jesus is ridiculing the wealthy for giving from their surplus. That isn't the intention of Jesus. Their generosity is appreciated. What he notes is that the poor widow gave from her "surplus" plus a little more. It is the case of what she gave went beyond the norm. We might say it hurt a bit. That is giving from one's heart.

While on vacation, I helped my brother in the field. It is fair to ask, "How much did your brother pay you?" More on that in a moment. My brother had me doing three things.

- A. Be a transport to help people get from point A to point B.
- B. Ran the grain cart.
- C. Ran the ripper.

From the vantage point of the tractor seat, what were some things I noticed?

1. Pay attention! Twice I lost a disc off the ripper. It took me fifteen minutes to find where the first disc had fallen off. It took forty-five minutes to find the second disc. I spent more time looking for the disc then putting the disc back on the ripper. After the second time, I really started to pay attention. It paid dividends. I watched carefully and, after several hours, noted one bolt had broken off which held the disc in place. A five-minute fix of replacing the bolt and I was underway.
2. The ground was hard. Without the rain the last several weeks, the ripper pulled hard. We need rain.
3. A coyote ran from the last rows of a picked field across our field. Its destination? I don't know.
4. A hawk swoop down on a rabbit. The poor rabbit didn't make it. It is a demonstration of how nature works.
5. How large machinery has gotten.
6. How even someone like me can run machinery with autosteer.
7. The various crops of pheasants. Some of the pheasants I saw could fly yet looked like they were only floating along. Young birds. I also saw a rooster who flew from point A to point B in a hurry. An older bird.
8. How dusty it was this year. The culprit? Lack of rain.
9. Slow and steady wins the race. I never try to outrace the neighbor. I just keep going hour after hour and am amazed how much is accomplished by day's end.
10. It is easier to see during the day however I enjoy working in the darkness of the night.

All of this leads to the question posed earlier. How much did my brother pay me? Let us see if you can come up with the answer. Was it?

- A. \$20 per hour.
- B. \$15 per hour.
- C. Nothing at all.
- D. \$25 per hour.

The answer? I came back no wealthier than I went home. I wasn't paid anything and wouldn't accept anything. It is something I do for my brother. Going back to the gospel story, this means one thing. Sorry Jesus, you would see me place nothing in the treasury because my brother didn't provide me anything to give. Maybe next time!

Blessings to you! ~Father Peter Schuster
